FOR THE PILOT AND CREW SOME'S INTRODUCES THE SUPERB TAILORING OF "BLUE COAT" DACRON/WOOL SERGE TO THE AIRLINES OF THE WORLD

Some's offers Dacron/Wool uniforms for corporate pilots in a medium weight, 2-ply serge. Some's uniforms are precisely tailored, offering handsome styling and a smart, professional look. "Blue Coat" is 55% Dacron/45% Wool, 14 oz. serge and is naturally comfortable. It breathes, absorbs and evaporates body moisture, leaving a layer of dry air next to the skin. Warm in winter and comfortable year round. Naturally good looking, rich to the eye and the hand. Tailors superbly, drapes softly and smoothly and maintains that naturally crisp look.
